Living Well Rhode Island

The Living Well Rhode Island Program (LWRI) provides free chronic disease self-management workshops. This is a six-week program that helps participants develop the skills and coping strategies they need to manage their illness. By participating two and half hours per week, members learn to manage their symptoms through action planning, interactive learning, behavior modeling, problem solving, decision making, and social support for change. For more information call: (401) 222-7623 or the RI Dept. of Health: (401) 222-5960 (or RI Relay, 711)

Rhode Island Health Care Association – Community Health Care Centers

TwentyNine community health clinics provide primary healthcare to individuals unable to pay the full cost for healthcare. For people with limited income, payment is made on a sliding scale basis. For locations around the state call: (401)274-1771

www.rihca.org

Rhode Island Parent Information Network (RIPIN)

RIPIN provides information, support, and training to help all Rhode Islanders become an advocate at school, in healthcare, and in all areas of life.

1210 Pontiac Ave, Cranston, RI 02920

Phone: (401) 270-0101 ext. 550

<http://www.ripin.org/>

Women's Cancer Screening Program (WCSP)

WCSP works to reduce the burden of breast and cervical cancer among low-income women. This program focuses on reaching underinsured, older, medically under-served, racial, ethnic, and/or cultural minorities. The WCSP has developed a strong network of providers to assure that the delivery of breast and cervical cancer screening, follow-up, treatments, and support services are available for enrolled clients.
