Child Care Tax Credit (CCTC)

The child care tax credit is a federal tax credit that allows working parents to deduct a percentage of their child care costs from the amount of federal taxes owed. The CCTC is not refundable and cannot be received in the monthly paycheck. The child care tax credit is based on the parent's out of pocket expense, whether or not the family receives child care assistance.

Earned Income Tax Credit (EITC)

The Earned Income Tax Credit provides a tax credit and/or refund to people who earn low to moderate wages. The payment can be received as part of the end-of-year tax filing and a portion can be received in the worker's weekly paycheck. The amount of EITC received in the paycheck will not affect eligibility for Rite Care or the amount of SNAP or RI Works cash assistance.
